Over-The-Top Hotel Suites Going For \$15k+ Per Night

BY [JARONE ASHKENAZI](#)

MAR. 2ND, 2021

To qualify as one of the most over-the-top suites in the world, it goes beyond just simple luxury. From exclusive access and stunning views, to coveted experiences, to private butlers and more, sometimes great is no longer good enough. These seven hotel suites all have price tags over \$15,000/night and present some of the grandest hospitality experiences in the world. Nestled, usually perched high above, in some of the most lavish hotels in the world, these suites feature more than just plush beds and state-of-the-art technology. Representing some of the biggest and boldest, these suites are massive in size and all present a unique aspect of its locality, whether in its design or offerings, and showcase that \$15k does get you something special for a night.
